Hello Amrutha,
It is my understanding that Yolanda sent the notice, affidavit, and mailing lists for Vinculums/Verizon Cluster 2 (17PLN-00170) to you and Mr. Mc Gavin yesterday. We plan on scanning and sending the third round next week, unless you and Mr. Mc Gavin indicate that it is not on point.
Related, the Planning Department is packing and temporarily relocating starting Monday ahead of some construction on our 5th floor here at City Hall. Files are boxed in a manner that remain accessible to the public, but we will be on different floors of City Hall for a few months. All emails and phone numbers will still be the same, so we remain reachable as normal.
Thank you.
Regards,
Rebecca

Hello Yolanda and Amrutha,

Yolanda, can you assist with the distribution of the PDF scans of the four notices, affidavits, and mailing lists for file number 17PLN-00169.

Amrutha, I am unavailable for an appointment tomorrow. Also, I previously indicated that Yolanda was the contact for your records request, so my request is that you follow with that information.

Regards,

Rebecca

Please send it to me ASAP.

Thanks,
Amrutha

Hello Amrutha,

We just spoke by phone about making an appointment with me to review the project files and the myriad of ways that people can use to submit public comments on the appeals.

Also, there is a City Council Procedures and Protocols Handbook (https://www.cityofpaloalto.org/civicax/filebank/documents/34330) that you can find on the City Clerk's website (https://www.cityofpaloalto.org/gov/depts/clk/default.asp). This handbook should hopefully cover procedural questions regarding City Council. Also, here is a weblink to how to watch Council meetings livestream and the locations of recorded/archived meetings - http://midpenmedia.org/government/.

Thanks Rebecca,

Please give the email id for me to send the public comments. Also is there a deadline for submitting public comments, meaning, until what date can I continue to submit my public comments?

Thanks,

Amrutha

Hello Amrutha,

1 & 2 - Please feel free to submit public comments in the same manner(s) as everyone has already been doing – comments have come in via email and hardcopy according to people's preferences.

3 – the list that I showed you was the address list result from our mailing radius following our Municipal Code noticing procedure. We also put notice in the newspaper. We keep a copy of notices, etc. that we have sent out as part of the administrative record. It's not something we have a link for. This is all very standard for processing, not something that we prepare special to wireless projects.

Thank you.

Regards,

Rebecca

Subject: Public comments

Hi Rebecca,

I remember you mentioning
that the city is still accepting public comments on the Verizon Wireless Application (17PLN-00169).

1. If so, how do I enter
things into public comments?

2. I have a bunch of
signatures for a petition that I would like to submit as well. Is there a deadline for submitting petitions (with signatures) on this topic?

3. I remember you showing
me a huge list (around 1000 or so) of addresses this morning, where you sent out the letter of approval by the Director of planning. I think you also mentioned
that this address list was also entered in the public record. Would you be able to share the exact link for that?

Thanks,

Amrutha
