**Date:** Monday, April 30, 2018 10:06:12 AM

---

**Hello All,**

**I would like to share the following videos that were taken to prove that there is "No Significant gap in Verizon coverage" in Cluster one and Cluster 2 areas for the proposed Verizon small cell tower sites. Cluster One (17PLN-00169) and Cluster Two (17PLN-00170) projects.**

2018-0422 No Significant Gap in Verizon Coverage in Palo Alto, CA: Cluster One
2018-0422 No Significant Gap in Verizon Coverage in Palo Alto, CA: Cluster One

**2018-0422 No Significant Gap in Verizon Coverage in Palo Alto, CA: Clust...**

This video is substantial evidence that there is NO SIGNIFICANT GAP in AT&T coverage in Palo Alto's mid-town Nei...

2018-0422 No Significant Gap in Verizon Coverage in Palo Alto, CA: Cluster Two
2018-0422 No Significant Gap in Verizon Coverage in Palo Alto, CA: Cluster Two

**2018-0422 No Significant Gap in Verizon Coverage in Palo Alto, CA: Clust...**

This video is substantial evidence that there is NO SIGNIFICANT GAP in AT&T coverage in Palo Alto (Cluster Two) ...

Thanks,
Amrutha
