Rental Conditions:

All capacity limits must be adhered to and are set by the Fire Marshal.

Reservations:

Reservation Applications are accepted up to a year in advance on a first come, first served basis, with preference given to on-going, City and City-sponsored programs.

Applications submitted less than thirty (30) days prior to an event date are subject to the approval of the Facility Manager, availability of space, availability of staff, current insurance, payment of total fees, and special conditions for facilities such as gymnasiums.

Application Submission:

Before a reservation request can be accepted the rental application must be filled out and signed by an authorized person 21 years of age or older. Name must be consistent on all required documents. Residency verification will be required to qualify for any applicable Palo Alto resident discounts. No reservation is confirmed until the application has been approved and the reservation payment is paid in full. Approval is dependent upon intended use, availability, applicant's agreement to abide by the terms and conditions listed herein and any other conditions deemed necessary by the Facility Manager (as attached to the approved contract).

Insurance:

Some rentals require certificate of general liability insurance that names the City of Palo Alto as an additional insured in the minimum amount of one million dollars due thirty (30) days before your event. Insurance must be provided by a carrier rated A-VII or higher by Best's Insurance Rating Service. Insurance may be available for purchase through the City of Palo Alto. Failure to provide or purchase insurance will result in the cancellation of the booking.

Fees & Charges:

See fee schedule for rental rates. A down payment (50% of all incurred charges) is due upon application approval. This is refundable, with written permit holder request, within 10 calendar days from application approval. Refunding the down payment will cancel your permit. After the 10 days has passed, the amount is no longer refundable. The remaining balance is due thirty (30) days before the event, this is also nonrefundable. Failure to pay rental charges when they are due may result in cancellation of your reservation and/or charges to the credit card on file.

Picnic areas, field house, camp sites, Interpretive Center meeting rooms, and Banners all require full payment upon application approval.

A) Non-profit Discount:

Non-profits providing a majority (51% or more) of their service to Palo Alto residents are eligible to receive a non-profit discount. Palo Alto serving organizations must submit an IRS letter of nonprofit 501(c)(3) status with their application. No discount will be given if fees are charged by the renting organization or donations requested for the event.

B) Facility Staff:

Facility staff is required if the activity is held outside the posted hours of the facility or if the nature of the event makes their presence necessary. The facility staff is on duty to assist the client and for facility safety. The Facility Manager will determine the number of staff required. In some cases, and at the permit holder's expense, the services of a professional security firm may be required based on the type of event and the number of participants. Permit holder is responsible for set-up, clean up, and take down of rooms. City facility staff will be on the premises at all times during rental period. Staff will not be on site for rentals at the Alma Room or Peers Park Field House

C) Cleaning and Damage Deposits/Overtime:

A refundable cleaning/damage deposit of up to \$2,000 may be assessed. Cleaning and/or damage expenses, extra staff time, and/or extra room rental time may be deducted from the cleaning/damage deposit and/or charged to the credit card on file. Permit holder will be signed out of the facility by the facility staff on duty, when applicable. Any charges incurred to return the venue to its original condition, reasonable wear and tear excepted, will be deducted from the cleaning/damage deposit and/or charged to the credit card on file. This deposit may be forfeited for violations of ANY rental conditions named herein.

If cleaning/damage deposit was charged, permit holder will be charged for any damages in excess of the deposit. If no deposit was required, permit holder will be charged for any damages, cleaning expenses, and overtime

D) Rental time:

Must include time for set up, decoration, take down and facility clean up. Rental times differ among facilities so please check when events must conclude.

Any requests to modify dates, times, rooms, equipment, etc., to an existing contract must be made in writing ten (10) days from application approval. After which, your rental will be locked in and only additions (of time and/or equipment) to your rental can be made. Any fees incurred due to the amendment will be payable immediately. Deliveries and pickups cannot be outside the rental period unless prior arrangements are made with the Facility Manager.

In respect of our neighbors, for events that have live or recorded music, the music must conclude by 11:00 p.m. on Fridays and Saturdays and by 9:00 p.m. Sunday through Thursday. Any exceptions require prior arrangements and approval of the Facility Manager.

E) Cancellations:

The final 50% is due no later than 30 days prior to the date of your booking. After final payment has been made, only the refundable deposit is eligible for refund.

Rentals approved at or within the 30-day mark are not eligible for a refund, with the exception of the deposit.

*Please note, the 10 day window to cancel for a full refund may be shortened if the final payment due date is less than 10 days out.

Once you have been approved, by the CPAFD, please forward a copy of the permit to LSCC@palocalto.gov.

Please note the requirements listed below for open flame at any of the City of Palo Alto facilities:

1. An open flame permit is required for candles and other open flame devices.
2. They shall be secured in a glass globe, wire mesh cage or similar approved device that:
 - is stable and securely supported
 - has substantial noncombustible bases
 - protects the candle flames

 - is designed to return to upright position after tilted or self-extinguish if tipped over
 - encloses the flames – side openings allowed if 0.375-inch diameter or less; top openings allowed if distance to top enough that tissue paper placed on top will not ignite in 10 seconds.
3. Absolutely no handheld open flame devices (such as sparklers) are permitted.

Where food is prepared by a heating or cooking process such as, but not limited to, grilling, barbecuing, flambé, deep fat frying, all such operations shall be outdoors only and located at least 20 ft. from permanent buildings, and away from any roof overhangs.

The cooking device must be placed on top of a tarp or plywood to protect the ground surface.

All cooking operations shall be equipped with a minimum 2A:10BC fire extinguisher. This is in addition to the “K” type extinguisher required for deep fat frying operations. Extinguishers shall be clearly visible, and readily accessible.
