Rebecca,

I would like to schedule an appointment with you to be able to make copies/take pictures of the list of all the addresses that you sent of the Planning Director's notice of approval to. I would like this to happen **ASAP**.

Thanks,
Amrutha

Hello Amrutha,

We just spoke by phone about making an appointment with me to review the project files and the myriad of ways that people can use to submit public comments on the appeals.

Also, there is a City Council Procedures and Protocols Handbook (https://www.cityofpaloalto.org/civicax/filebank/documents/34330) that you can find on the City Clerk's website (https://www.cityofpaloalto.org/gov/depts/clk/default.asp). This handbook should hopefully cover procedural questions regarding City Council. Also, here is a weblink to how to watch Council meetings livestream and the locations of recorded/archived meetings - http://midpenmedia.org/government/.

Rebecca

Thanks Rebecca,

Please give the email id for me to send the public comments. Also is there a deadline for submitting public comments, meaning, until what date can I continue to submit my public comments?

Thanks,

Amrutha

Hello Amrutha,

1 & 2 - Please feel free to submit public comments in the same manner(s) as everyone has already been doing – comments have come in via email and hardcopy according to people's preferences.

3 – the list that I showed you was the address list result from our mailing radius following our Municipal Code noticing procedure. We also put notice in the newspaper. We keep a copy of notices, etc. that we have sent out as part of the administrative record. It's not something we have a link for. This is all very standard for processing, not something that we prepare special to wireless projects.

Thank you.

Regards,

Rebecca

Hi Rebecca,

I remember you mentioning that the city is still accepting public comments on the Verizon Wireless Application (17PLN-00169).

1. If so, how do I enter things into public comments?

2. I have a bunch of signatures for a petition that I would like to submit as well. Is there a deadline for submitting petitions (with signatures) on this topic?

3. I remember you showing me a huge list (around 1000 or so) of addresses this morning, where you sent out the letter of approval by the Director of planning. I think you also mentioned that this address list was also entered in the public record. Would you be able to share the exact link for that?

Thanks,

Amrutha
