Hello there, Rebecca,

And thanks for updating the City's Wireless page.

Two questions: First, although the Update says that Crown Castle/Verizon resubmitted applications on June 27th for Clusters 2 and 3 and that these resubmittals are available on line, I can't find them. (The most recent submittal is from March.) So, would you please send me a link to both revised application?

Second, please tell me where the shot clocks stand for all of the Crown Castle/Verizon applications and for the Vinculums/Verizon Cluster 2 and Cluster 3 applications.

Thanks very much,

Jeanne
