Dear Natalie,
Please see that I also included the direct weblink to the staff report in my email below, so you should have it even if you are having any difficulty navigating off of the ARB agenda. When something is hyperlinked, you just click on the link (in this case click on the agenda item) and the link takes you to the destination, which is the staff report.
Regards,
Rebecca

How do I see the staff report for the March 15 meeting?

I don't know what you mean by navigating off the agenda item.

Natalie

Hello Natalie, Robin, and Alicia,

Natalie,

Robin and Alicia are the contacts for the Planning and Transportation Commission and the Architectural Review Board, respectively. They can assist you in finding staff reports and minutes, etc and are cc'd on this email.

Generally, the way to find these is to navigate off of the agenda (the staff reports are hyperlinked off of each agenda item). I've copied in the links below, just in case there is any difficulty navigating off of the ARB or the agenda.
March 15 ARB agenda: https://www.cityofpaloalto.org/civicax/filebank/documents/63883
March 15 Vinculums/Verizon Cluster 1 Staff Report:
https://www.cityofpaloalto.org/civicax/filebank/documents/63888

Minutes are prepared in draft form for review by the respective body. For example, the draft

minutes for the Dec 7 2017 ARB meeting were on the ARB agenda for review on March 15 2018. The draft minutes for the March 15 2018 ARB meeting will be included on a forthcoming ARB agenda for review.

Regards,

Rebecca

The link worked today, but I want the minutes and report. All I got was the agenda.

For some reason, Safari won't open the items on the agenda. I'll try on the library computer next time I'm there.

The link worked this time.

Hello Natalie,
I'm not sure why there would be a problem with the link. It opens for me and others. It is the weblink to the Architectural Review Board webpage. If there is a problem with the link on your computer, then the other way is to do just a simple web browser search under "Architectural Review Board Palo Alto" or something similar and let the browser find the page for you.
Regards,
Rebecca

All I got was Apple support. This link did not work for me.

Hello Natalie Fisher,
You and I have corresponded in the past regarding some of the wireless in the right of way projects that are under analysis by the Planning Department and other Departments.
The staff report for the March 15 ARB meeting for Vinculums/Verizon Cluster 1 (17PLN-00169) will be posted/released later this week on the **Architectural Review Board's** webpage – https://www.cityofpaloalto.org/gov/boards/architectural/default.asp. Please click on the meeting date March 15 when it gets posted. Please click on the agenda item that you're interested in and the staff report will pop up.
Regarding the **Planning and Transportation Commission**, regular meetings are at 6:00 p.m. on the second and last Wednesdays of each month and are cablecast live on Government Channel 26.
Regards,
Rebecca

Aren't you the person who send me the Planning Commission's agendas each week at this email address?

When is the next meeting?

Natalie
