

Are you allowed to camp here? If so, how many days and/or what specific days are you allowed to stay. Do you have to make a reservation first?

We do have a campground in Foothills Park.

The campground is open from May 1<sup>st</sup> to October 31<sup>st</sup> every day of the week, every year. You may stay for up to two weeks at a time. If you want to stay for more than a few days, we do recommend making a reservation (although they are not mandatory – you will have to find a ranger to pay, and space may not be available). You can make a reservation up to one year in advance.

Reservation forms and campground information may be found and downloaded from the city's webpage, or by calling Foothills Park (650 329 2423).
