Hello Amrutha,
1 & 2 - Please feel free to submit public comments in the same manner(s) as everyone has already been doing – comments have come in via email and hardcopy according to people's preferences.
3 – the list that I showed you was the address list result from our mailing radius following our Municipal Code noticing procedure. We also put notice in the newspaper. We keep a copy of notices, etc. that we have sent out as part of the administrative record. It's not something we have a link for. This is all very standard for processing, not something that we prepare special to wireless projects.
Thank you.
Regards,
Rebecca

Subject: Public comments

Hi Rebecca,

I remember you mentioning that the city is still accepting public comments on the Verizon Wireless Application (17PLN-00169).

1. If so, how do I enter things into public comments?
2. I have a bunch of signatures for a petition that I would like to submit as well. Is there a deadline for submitting petitions (with signatures) on this topic?
3. I remember you showing me a huge list (around 1000 or so) of addresses this morning, where you sent out the letter of approval by the Director of planning. I think you also mentioned that this address list was also entered in the public record. Would you be able to share the exact link for that?

Thanks,
Amrutha
