Employees must elect the number of vacation hours they will cash-out during the next calendar year, up to the maximum of 120 hours. The election will apply only to vacation hours that are accrued in the next calendar year and that are eligible for cash-out.

The election to cash-out vacation hours in each designated year will be irrevocable. This means that employees who elect to cash-out vacation hours must cash-out the number of accrued hours pre-designated on the election form.

Employees who do not elect a cash-out amount by December 31 of the prior calendar year will be deemed to have waived the right to cash out any leave in the following tax year and will not be eligible to cash-out vacation hours in the next tax year. Employees who elect cash-out amounts may request a cash-out at any time in the designated tax year by submitting a cash-out form to payroll. Payroll will complete the cash-out upon request, provided the requested cash-out amount has accrued and is consistent with the amount the employee pre-designated. If the full amount of hours designated for cash-out is not available at the time of cash-out request, the maximum available will be paid.
