Proposed Improvements

Improvements on Churchill Avenue:

- Extend existing bicycle path from Castilleja to the Stanford Perimeter Trail
- High visibility crosswalks at Castilleja
- New lighting and curb improvements at Castilleja
- New High Visibility Crosswalk and Rectangular Rapid Flashing Beacon at Madrono
- Restriping and repaving on Churchill
- Landscaping/tree planting along school frontage

Intersection safety improvements at El Camino Real:

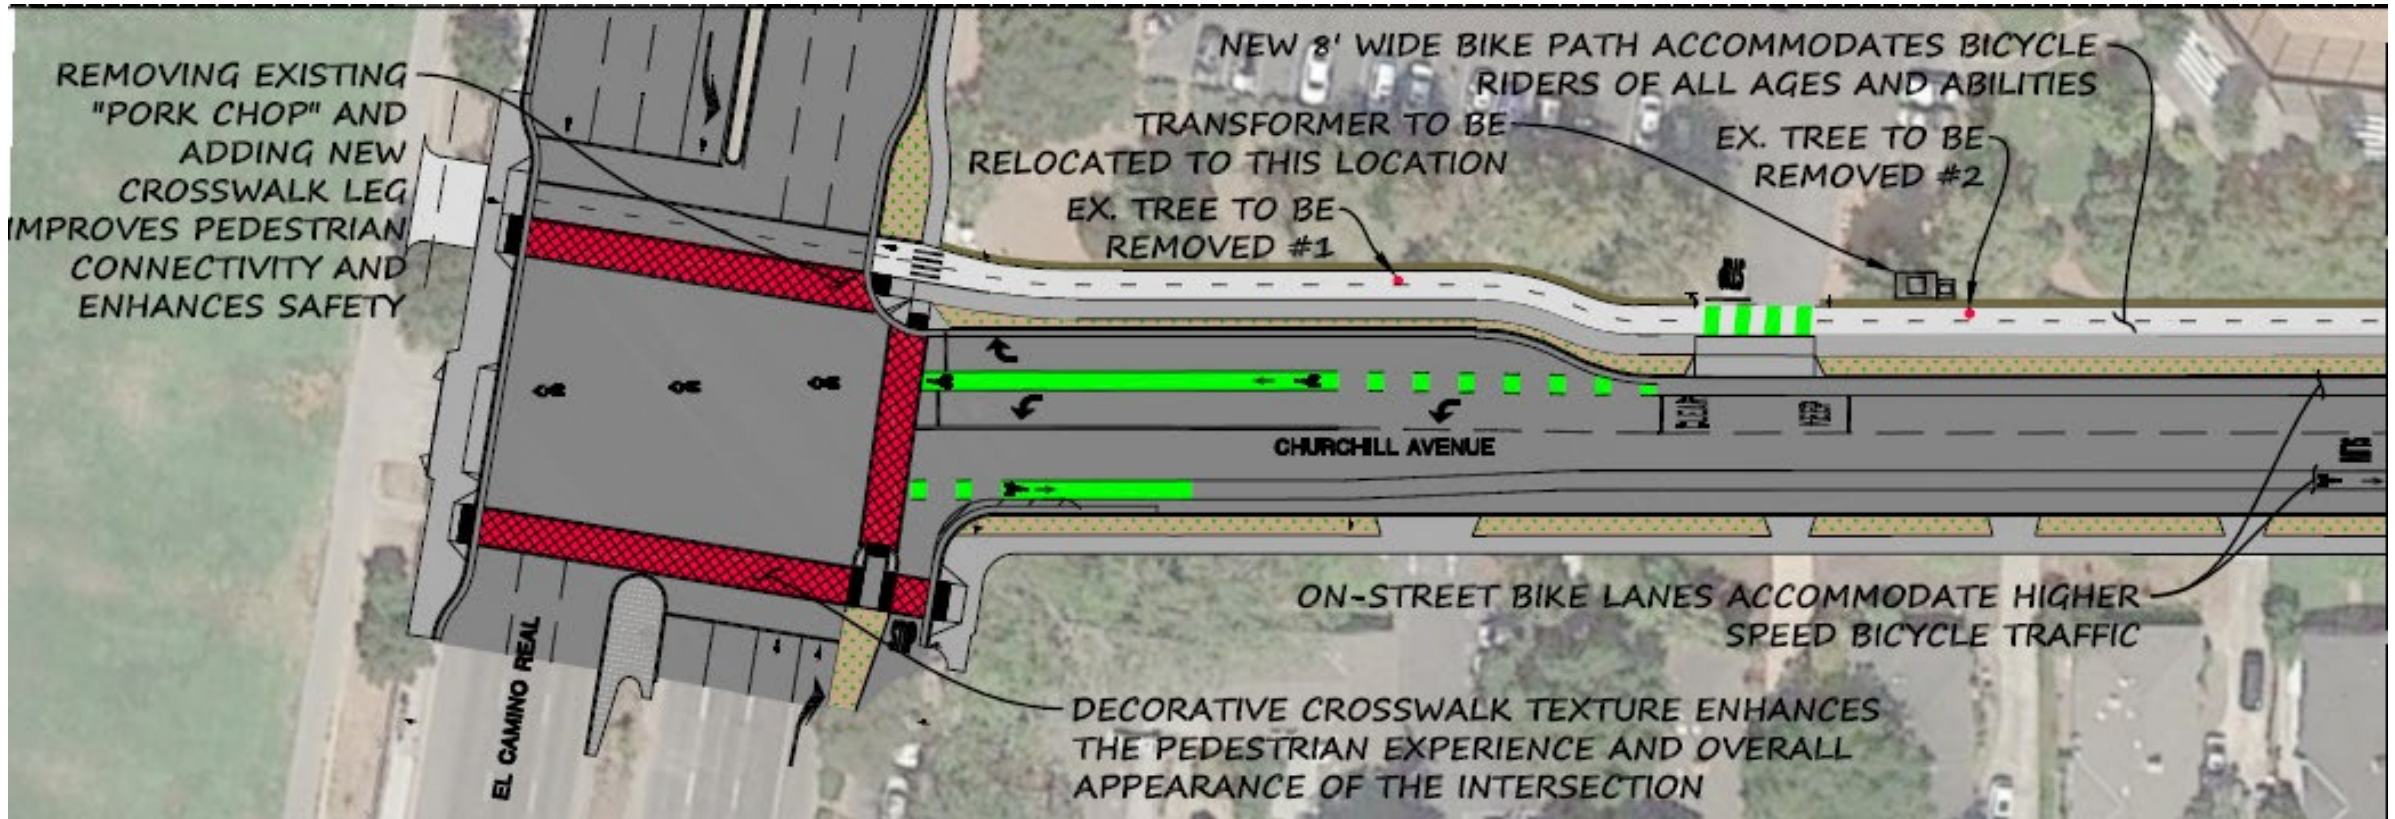

- Remove pork chop island - Add a right turn only storage lane on westbound Churchill to northbound El Camino Real
- Enhanced bicycle and pedestrian crosswalks at all 3 crossings of intersection and improved signalized intersection

Churchill Avenue/El Camino Real – Existing Conditions

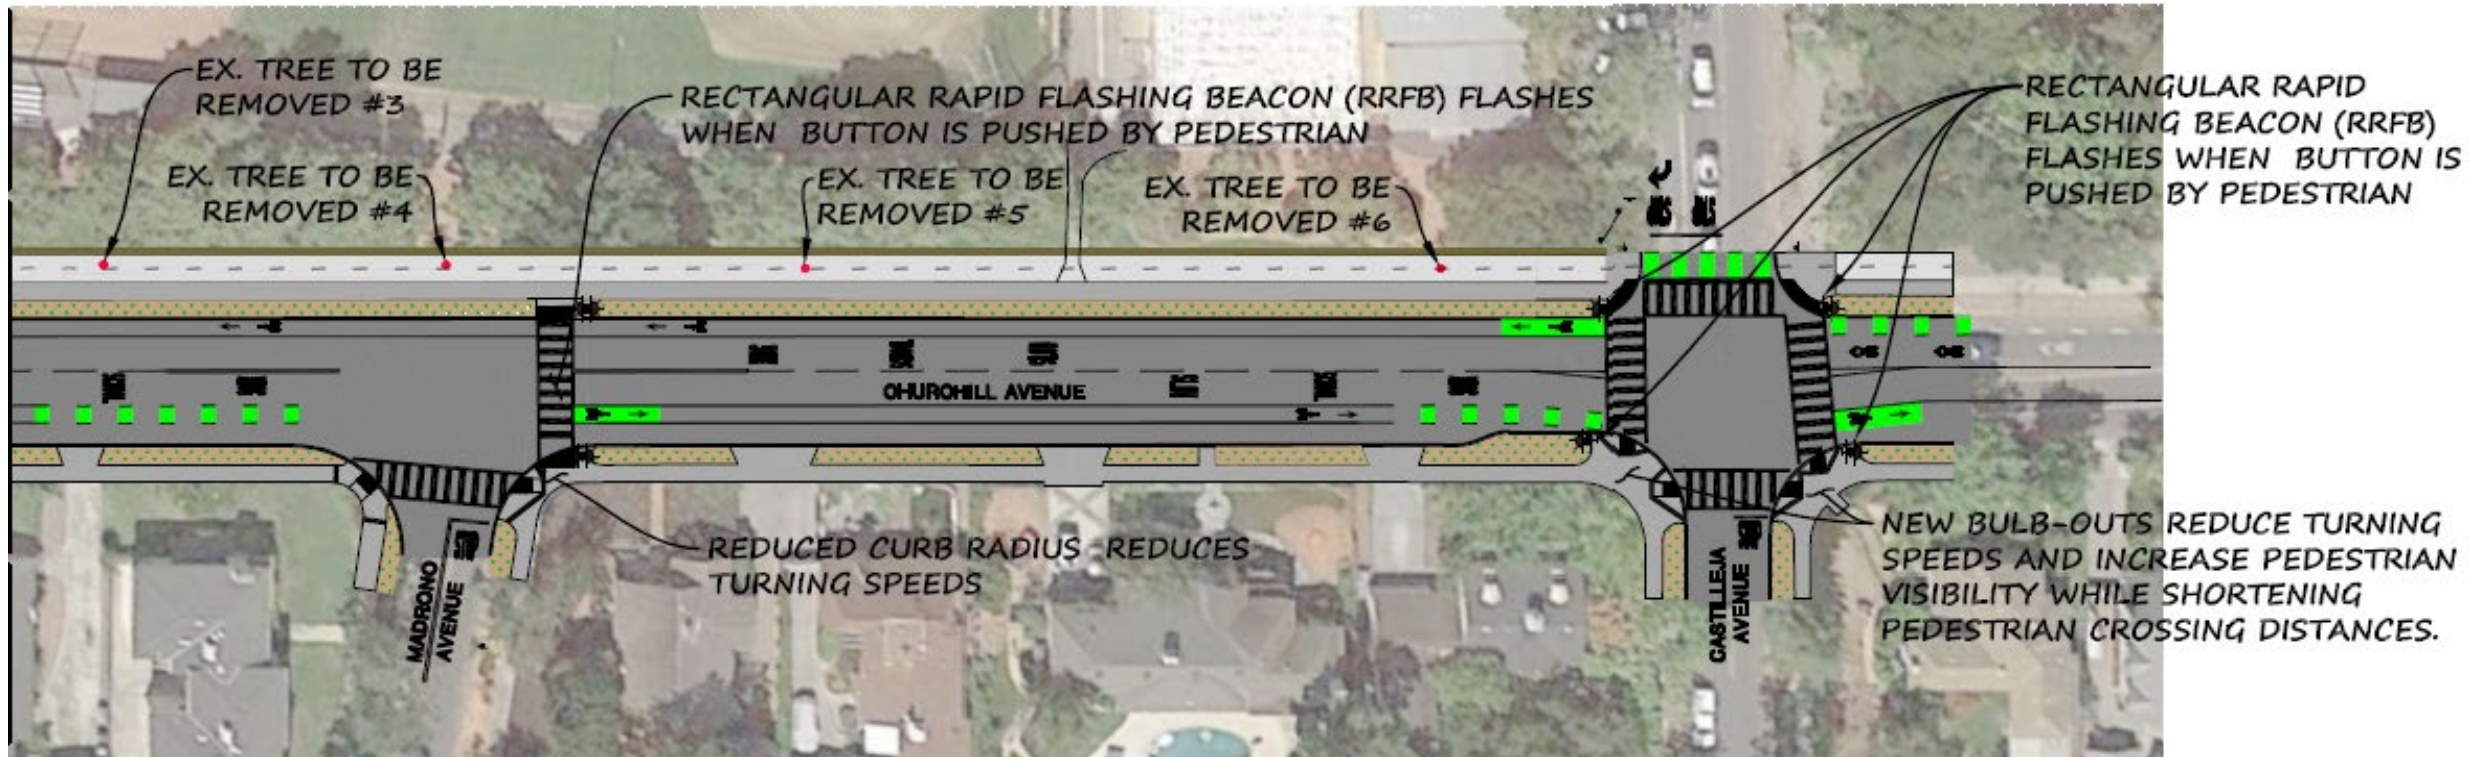

Churchill Avenue – Project Layout

El Camino Real to PAUSD Driveway

Churchill Avenue – Project Layout

Madrono and Castilleja Avenue
