

## **December 2025 Utility & Community Announcements**

**Prepare now for winter storms!** Visit [paloalto.gov/storms](https://paloalto.gov/storms) to monitor storm and creek activity, report storm-related issues, and find free sandbag locations along with other useful resources. For real-time creek level updates, visit [paloalto.gov/creekmonitor](https://paloalto.gov/creekmonitor), and sign up for automatic flood and storm alerts at [sfcjpa.org/floodwarning](https://sfcjpa.org/floodwarning).

**Add space to your life by subtracting waste from it.** Zero Waste isn't just a concept, it's a way of living! Find useful Zero Waste Living practices that add up overtime to make a big difference at [paloalto.gov/zwliving](https://paloalto.gov/zwliving).

**Tis the season to Uplift Local by shopping, eating, and experiencing all that Palo Alto has to offer.** For the holidays, the City connected with our local businesses to bring you special deals and discounts. Visit [UpliftLocal.org/Holidays](https://UpliftLocal.org/Holidays) to find gifts, restaurants, and more.

**With cooler weather approaching, now is the perfect time to replace the filter on your Heating, Ventilation, and Air Conditioning (HVAC) systems or furnace.** Clean filters help your system run more efficiently, reducing energy costs and improving air quality. Check your filter and visit [paloalto.gov/efficiencytips](https://paloalto.gov/efficiencytips) to keep your home warm and comfortable and help you save on energy bills.

**Connecting with our customers:** As we approach the end of the year, please take a moment to update your account details to ensure we can stay in touch, especially during power outages. Opt for paperless billing to save time, reduce waste, and receive notifications directly to your inbox. Visit [paloalto.gov/mycpau](https://paloalto.gov/mycpau) or call (650) 329-2161 to update your contact information and make the switch to digital billing today!
