

Only Flush the Three P's

Flushing items other than human waste and toilet paper can cause sewer backups into your home and streets and pollution in our creeks and the San Francisco Bay.

✓ Pee

✓ Poop

✓ Toilet Paper

Wipes*, menstrual products, cat litter*, fats, oils, grease (FOG), floss, hair, and other items can clog pipes and harm our Bay.

*Products labeled as "flushable" still cause clogs.

.....

Drop off household hazardous waste (HHW) such as medication, cleaning chemicals, paints, and pesticides at the **HHW Station every Saturday from 9 AM - 11 AM and first Friday of the month from 3 PM - 5 PM.**
(Location: 2501 Embarcadero Way, Palo Alto)

.....
