

NOTICE OF SAN FRANCISCO PUBLIC UTILITIES COMMISSION WHOLESALE WATER RATE CHANGE

The San Francisco Public Utilities Commission (SFPUC) supplies the City of Palo Alto with potable water that the City delivers to its retail customers. On May 13, 2025, the SFPUC voted to increase the wholesale water rate it charges the City from \$5.67 to \$5.80 per hundred cubic feet (CCF) on July 1, 2025. The City will automatically pass this increase onto its customers in accordance with Government Code 53756 and the City's Water Utility Rate Schedules W-1, W-2, W-4, and W-7, effective July 1, 2025.
