This is refundable, with written permit holder request, within 10 calendar days from application approval. Refunding the down payment will cancel your permit. After the 10 days has passed, the amount is no longer refundable. The remaining balance is due thirty (30) days before the event, this is also nonrefundable. Failure to pay rental charges when they are due may result in cancellation of your reservation and/or charges to the credit card on file.

A) Non-profit Discount:

The facility staff is on duty to assist the client and for facility safety. The Facility Manager will determine the number of staff required. In some cases, and at the permit holder's expense, the services of a professional security firm may be required based on the type of event and the number of participants. Permit holder is responsible for set-up, clean up, and take down of rooms. City facility staff will be on the premises at all times during rental period. Staff will not be on site for rentals at the Alma Room or Peers Park Field House

C) Cleaning and Damage Deposits/Overtime:

Permit holder will be signed out of the facility by the facility staff on duty, when applicable. Any charges incurred to return the venue to its original condition, reasonable wear and tear excepted, will be deducted from the cleaning/damage deposit and/or charged to the credit card on file. This deposit may be forfeited for violations of ANY rental conditions named herein.

If cleaning/damage deposit was charged, permit holder will be charged for any damages in excess of the deposit. If no deposit was required, permit holder will be charged for any damages, cleaning expenses, and overtime

D) Rental time:

Must include time for set up, decoration, take down and facility clean up. Rental times differ among facilities so please check when events must conclude.

After which, your rental will be locked in and only additions (of time and/or equipment) to your rental can be made. Any fees incurred due to the amendment will be payable immediately. The final 50% is due no later than 30 days prior to the date of your booking. After final payment has been made, only the refundable deposit is eligible for refund.

Rentals approved at or within the 30-day mark are not eligible for a refund, with the exception of the deposit.

*Please note, the 10 day window to cancel for a full refund may be shortened if the final payment due date is less than 10 days out.

Palo Alto Zero Waste Guidelines:

The City of Palo Alto has the goal of Zero Waste. In an effort to achieve this goal, the City requires that all special events practice zero waste through waste reduction, reuse, recycling and composting measures. Make recycling and composting convenient (set recycling and composting containers next to garbage containers) and be sure event attendees know where the containers are and what is accepted in each. Signs are available for you to download at www.zerowastepaloalto.org or you can create your own. A complete list of acceptable recyclable and compostable materials is available at www.zerowastepaloalto.org.

Liability Insurance:

Rentals of City of Palo Alto facilities that involve alcohol, pianos, microphones, and all rental equipment, and/or that have a guest count of 150 or more require evidence of general liability insurance for a minimum of one million dollars. This certificate must be on file at least 15 days before your event. In many cases, a certificate can be obtained from the underwriter who issues your homeowner’s policy. The insurance certificate, often referred to as an “Accord” form, must include the wording: “City of Palo Alto is named as additional insured” or “Certificate holder is named as additional insured.” If you are unable to locate an insurance service provider, you are welcome to use the services of www.eventinsure.com to procure the necessary insurance documents.

House Managers:

House Manager staff are onsite to let you into the facility, to ensure that rooms and restrooms are tidy for your use, to ensure access to all pre-arranged facility amenities, and to enforce facility rules and regulations. They will remain on premises and available during your event and will assist in an emergency. House Manager staff are required if the activity is held outside the posted hours of the facility or if the nature of the event makes their presence necessary and their cost will be included in your rental fees. Extra staffing time required due to event delays may be deducted from the Cleaning/Damage Deposit and/or charged to the credit card on file.

Nonprofit Rentals:

Nonprofit organizations receive a reduced rental rate. Charging for event(s), accepting donations, or fundraising will void the discounted nonprofit rate, resulting in updated charges. 501(c)3 documentation must be provided with your rental in order to receive the nonprofit discount.

Procedure for Providing Event Insurance

The City of Palo Alto requires a minimum of one million dollars of coverage. You may purchase insurance through any event insurance broker of your choosing. Many renters use their homeowners insurance policy for this requirement. If you do not have that option or are unsure of who to contact, you may use: <http://www.eventinsure.com>.

- 1) Purchase the required general liability insurance which covers both bodily injury and property damage. \$1,000,000.00 is the minimum requirement for all uses as established by the [City of Palo Alto Municipal Code](#). Ask your insurance broker to do a combined single limit; the premium cost for the insurance you purchase is set by the insurance broker or your insurance agent. High-risk activities, such as serving alcohol require additional coverage and will be communicated as part of the rental reservation process.
- 2) Under the section "Description of operations, locations, vehicles, special items" place the following phrase: "The City of Palo Alto is named as an additional insured."
- 3) Under the section "Certificate Holder" it should read:

City of Palo Alto
1313 Newell Road
Palo Alto, CA 94303

Ask your insurance broker to send a signed COI (certificate of insurance) via email to artcenter@palocalto.gov or mail it to:

Facility Rentals
Palo Alto Art Center
1313 Newell Road
Palo Alto, CA 94303

COIs need to be delivered to PAAC a minimum of 30 days prior to the event.

We appreciate your understanding,

Palo Alto Art Center

Open Flame & External Heating Elements Permit Information

Any open flame including votive candles, wax candles, outdoor grills, and chafing dishes will need an open flame permit. You must submit your Fire Permit Application for open flame to the City of Palo Alto Fire Department at firepermits@paloalto.gov. A fire inspection may be required the day of the event.

Once you have been approved by the CPAFD, please forward a copy of the permit to artcenter@paloalto.gov.

City of Palo Alto Fire Department does not have specific height requirements for votive candles, other than it needs to be tall enough that if a tissue paper is put over the opening, it does not ignite within 10 seconds. Please note the requirements listed below for open flame at any of the City of Palo Alto facilities:

1. An open flame permit is required for candles and other open flame devices.
2. They shall be secured in a glass globe, wire mesh cage or similar approved device that:
 - is stable and securely supported
 - has substantial noncombustible bases
 - protects the candle flames
 - prevents spillage of fuel/wax
 - is designed to return to upright position after tilted or self-extinguish if tipped over
 - encloses the flames – side openings allowed if 0.375-inch diameter or less, top openings allowed if distance to top is enough that tissue paper placed on top will not ignite in 10 seconds.
3. Absolutely no handheld open flame devices (such as sparklers) are permitted.

Where food is prepared by a heating or cooking process such as, but not limited to, grilling, barbecuing, flambé, deep fat frying, shall be done outdoors and located at least 20 feet from permanent buildings, and away from any roof overhangs.

The cooking device must be placed on top of a tarp or plywood to protect the ground surface.

You must contact the Palo Alto Fire Department to verify the type of fire extinguisher needed for your event. Extinguishers shall be clearly visible, and readily accessible. **You are responsible for supplying your own extinguishers for your event.**
