What Eucalyptus Removal at Esther Clark Park

Date Posted: 9/20/2024

City of Palo Alto contractors, West Coast Arborists, along with the Palo Alto Urban Forestry and Park Rangers units will be conducting removal of Eucalyptus Trees in the area of Esther Clark Park.

Why This fuel abatement project is a part of the Foothills Fire Management Plan that was approved by the City Council in 2009 and updated in 2016. This will improve fire resilience protection for nearby residences in the event of a wildfire within the park. A Mitigated Negative Declaration was issued for this project; CEQA SCHN: 2009022031.

Who West Coast Arborists, Palo Alto Urban Forestry, Palo Alto Park Rangers, and the Palo Alto Fire Department.

When Work will begin Tuesday, September 24th, 2024. Work completion is anticipated by mid-October.
